You may hang your head and list more PhD's on this application.

Don't forget there is an escape route for some of your PhD's which is to turn them into UPS's. In case you are new to UPS, a UPS is a "Unfinished Project Swap" which will be run by Professor after our Semester is completed (2018 program year)

TUITION: \$1 PER PhD listed. Upon graduation, for each project completed, you will have a chance to win cash or other fabulous prizes! Bring form and fee to a meeting, or mail to Eileen S.

**** At this time all of our faculty could not be listed here don't be surprised if your name and title appear in the future.**

***** Opportunities for Post-Doctoral Work will also be available for over achievers😊.**
